

# Fastand pix

These 17 photos are to aid you shop-savvy prop builders. Hopefully, these will answer any questions the plans may have missed. This stand was built around 25 years ago so it does show a bit of road wear.

Magically,  
Kerry Kistler

Front of stand

Back of stand

Back of stand – servante closed

Back of stand – servante open

Back view – handle and latch placement

Handle and latch placement – close up
